Terms of Trade

Pricing:

- All pricing in New Zealand Dollars and GST included.
- All invoicing will be direct from Atdec.
- Please contact your Business Development Manager for any project enquiries.

Payment terms:

- Net 30 days from date of invoice for approved Account holders.
- Pre-payment required for cash customers.

Product availability, development, and warranty:

- Not all products are guaranteed to be in stock. Lead time will be advised for any out-of-stock lines.
- Products may be designated as special order only and additional terms apply.
- Due to continuing product development, the manufacturer reserves the right to alter specifications without notice. For latest product information please refer to the Atdec website or contact us directly.
- All products are covered under Atdec's Warranty policy (atdec.co.nz/support/warranty-policy)

Orders:

- All orders are to be placed with an official Purchase Order to nz@atdec.com.
- Orders will not proceed if there is a pricing discrepancy, a revised PO or written approval of price change is required for order to proceed.
- Order cut-off for processing is 10.00 a.m. (NZ time, Monday to Friday) for PM dispatch, for delivery from next working day.
- Order collect/pickup - Atdec shall contact customer when order is available for collection (charges may apply for collection).

Delivery:

- All shipments would be shipped ex Atdec NZ location.
- Shipments are via ground commercial, delivery within New Zealand.
- Freight is applicable on shipments and shall be released with Atdec's nominated carrier.
- Freight quote will be provided upon request. Charges will be added to invoice.

Cancellations:

- If an order has already been dispatched a 20% of product charge may be applicable.
- An invoice will be generated & issued to client listing cancellation fees if applicable.
- Freight is non-refundable.

Returns:

- All returns must be approved by Atdec in writing. Email: nz@atdec.com
- A returns authorisation (RMA number) must be obtained for approved returns. Goods without an Atdec RMA number shall be rejected by the warehouse.
- Product must be in a saleable condition for a refund to be issued.
- Freight is non-refundable.
- Returns may incur up to a 25% re-stocking fee.

* These terms of trade are relevant to resellers. Contact us for more information.

Universal tablet holder

AC-AP-UTH

- Connects to monitor arms*
- Suits most 7" to 12" tablets
- VESA 75x75, 100x100

* Recommended for swing arms. Not recommended for dynamic arms as most tablets are too light to meet minimum weight requirements.

Mini PC mounting plate

AC-MP

- 5kg
- VESA 75x75, 100x100
- Connects mini PCs and NUC units to Atdec post. Secures devices, tidies desks.

Bolt through fixing for Ora

AW-FB

Bolt through fixing for Ora monitor arms. Available in bulk quantity for projects.

Laptop tray

AWM-N

- Up to 18"
- Connects to Atdec Modular tilt head

Atdec Modular desk fixings

Recommended desk fixing options are listed with preconfigured solutions. Other fixings may be available when evaluating specific project conditions. If you prefer a particular fixing type please contact Atdec.

Bolt through

AWM-FB

Flexible mounting position with small hole through desk.

Desk thickness range: 0-33mm

USE ME:
- if desk attachment is not possible, eg bevel edged desk
- if happy to drill hole in desk

Grommet clamp

AC-GC

Uses grommet hole. Suitable for Ø60mm to Ø80mm grommet holes.

Desk thickness range: 18-36mm

USE ME:
- if a grommet hole is available

F-clamp

AWM-FF

Traditional two-piece design.

Desk thickness range: 0-79mm

USE ME:
- if a grommet hole is not available
- for thick desks

C-clamp

AWM-FC

Low profile under desk.

Desk thickness range: 18-33mm

USE ME:
- if other clamps will interfere with under-desk items, eg cable trays, devices
- if avoiding drilling holes in the desk

HD desk clamp

AWM-FH

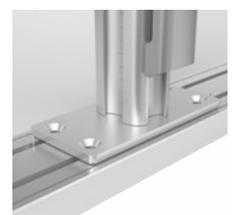

Dual steel plate design for extra strength & stability.

Desk thickness range: 0-68mm

USE ME:
- for heavy duty
- if a grommet hole is not available

Rail adapter

Console desks

Mounting plate and fixings for technical furniture. Extremely stable.

Contact Atdec for the best rail adaptor for your console.

USE ME:
- for consoles & desks with inset rails

Accessories

Wall fixing options

Single wall bracket

[AWM-W](#)

Single mount wall bracket for larger displays, all-in-one devices, or curved monitors. Ideal for control rooms, hospitality, education, hospitals. Commonly used with heavy duty arm AWM-AHX.

Short wall channel

[AWM-W6](#)

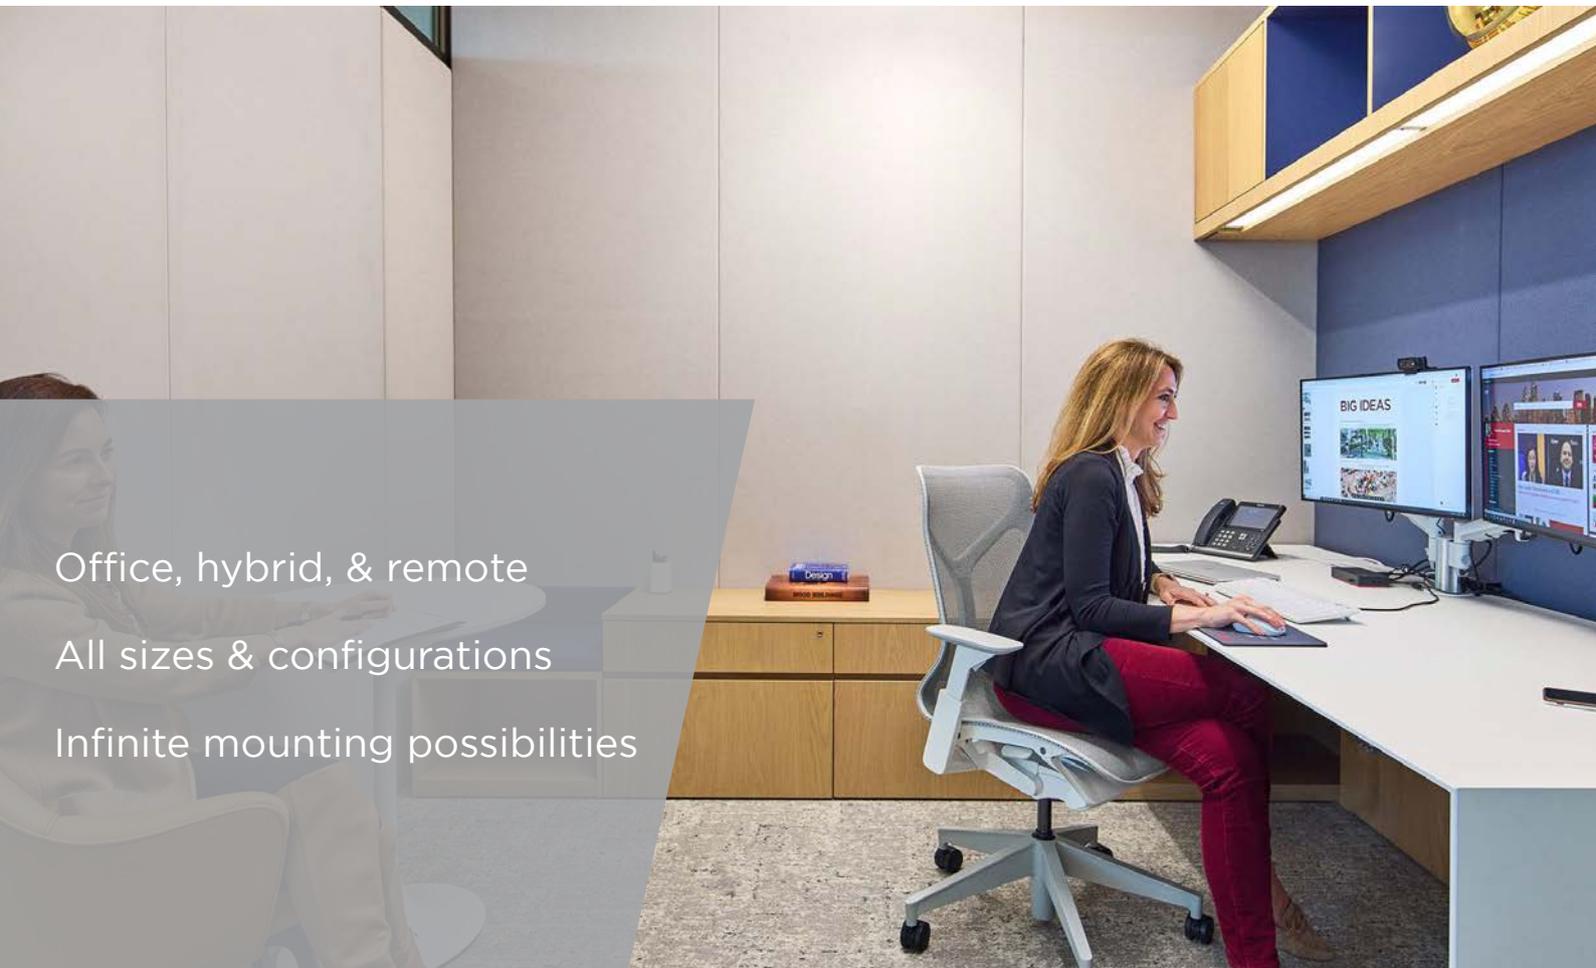

Connect a single clamp with a wall, including with slatwall adaptor AWM-WS. For all AWM arms except AWM-AHX. Suits low-profile workspace mounts, control rooms, and service areas. Short 60mm (2.4") channel.

Long wall channel

[AWM-W35](#)

Connect AWM arms to the wall with a 290mm vertical adjustment range. More than one arm may be mounted on this wall channel. Fast installation and tidy cable management. Long 350mm (13.8") channel.

Office, hybrid, & remote
All sizes & configurations
Infinite mounting possibilities
