Cables discretely tidy in generous cable management in arms and post

Available in silver, black, or white

10 Year Warranty

Dual monitor mount for side-by-side monitors

The perfect monitor arms for your immersive setup

The above images demonstrate the immersive setup achieved with two 34" ultrawide monitors.

This solution uses a hybrid arm assembly that requires reassembly of two different monitor arms. We provide comprehensive installation instructions and a step by step video on the product page online.
